

NAVAL JUSTICE SCHOOL

MOBILE TRAINING TEAM REQUEST FORM

We do our best to provide training opportunities for the Fleet with our regular standing schedule, which can be found at <https://www.jag.navy.mil/about/organization/ojag/njs/curriculum/>. Our regular classes maximize much of Naval Justice School's resources and we ask that you give us as much lead time as possible when requesting an MTT and understand that it may not be possible to fulfill every request. With this in mind, we simply cannot allocate resources to requests with fewer than 25 qualified students for CONUS or 30 qualified students for OCONUS MTTs. Please ensure that your command is capable and willing to provide the required financial, classroom facility, and personnel support for this request.
